Mission

Educating Everyone, Every Day

Our Vision

At Wohlwend Elementary, we demonstrate high levels of student **achievement**.

- As a staff, we will use data driven instruction to meet the needs of all learners.
- As parents, we will play an active role in our children's education by participating in homework and supporting good study habits, coupled with providing adequate food, sleep, physical activity, clothing and supplies.
- As students, we will work hard every day to be responsible for our learning by staying focused, asking questions, and studying and completing work on time.

At Wohlwend Elementary, we have a safe, productive, and positive learning **environment**.

- As a staff, we will promote character education and expect consistent implementation of universal rules and consequences.
- As parents, we will have high expectations for our children's behavior and support positive character development at home.
- As students, we will show good character by following the Wildcat Way, taking care of ourselves, each other, our school, and the world.

At Wohlwend Elementary, we are a **community** that builds partnerships among students, parents, colleagues, and the neighborhood community.
